Dear Larry Lem:

This is to acknowledge the receipt of your letter, dated May 14, 2014, concerning the corporate ownership and subsequent name change of your laboratory, Certificate Number 2803, from Calscience Environmental Laboratories, Inc. to Eurofins Calscience, Inc.

Since this is a change of name and corporate ownership only, and not a change of the laboratory's location, laboratory assets, or personnel, no further action is necessary on your part. We do thank you for keeping the ELAP Branch informed of these changes. We will update our records to reflect the current changes in your laboratory's status. Please notify ELAP if there are any later resulting changes of laboratory personnel, instrumentation, facilities or location.

If you have any questions, please contact us at 510.620.3155.

Sincerely,

Joseph L. Ondo, for

David Mazzera, Ph.D., Acting Division Chief
Division of Drinking Water and Environmental Management

 Calscience Environmental Laboratories, Inc.
 7440 Lincoln Way
 Garden Grove, CA 92841-1427

Dear Steven L. Lane:

Certificate No. 2803

This is to advise you that the laboratory named above continues to be certified as an environmental testing laboratory pursuant to the provisions of the Health and Safety Code (HSC), Division 101, Part 1, Chapter 4, Section 100825, et seq. Certification for all currently certified Fields of Testing that the laboratory has applied for renewal shall remain in effect until **06/30/2016** unless it is revoked.

Please note that the renewal application for certification is subject to an on-site process, and the continued use of this certificate is contingent upon:

- * **successful completion of the on-site process;**
- * **acceptable performance in the required proficiency testing (PT) studies;**
- * **timely payment of all fees, including an annual fee due before June 30, 2015;**
- * **compliance with Environmental Laboratory Accreditation Program Branch (ELAPB); statutes (HSC, Section 100825, et seq.) and Regulations (California Code of Regulations (CCR), Title 22, Division 4, Chapter 19).**

An updated certificate of the "Fields of Testing" will be issued to the laboratory upon successful completion of the on-site process.

The application for the renewal of this certificate must be received before the expiration date to remain in force according to the HSC100845(a).

Please note that the laboratory is required to notify ELAPB of any major changes in the laboratory such as the transfer of ownership, change of laboratory director, change in location, or structural alterations which may affect adversely the quality of analyses (HSC, Section 100845(b)(d)). Please include the above certificate number in all your correspondence with ELAPB.

If you have any questions, please contact ELAPB at (510) 620-3155.

Sincerely,

David Mazzera, Ph.D., Assistant Division Chief
 Division of Drinking Water and Environmental Management

NOTICE

The “List of Approved Fields of Testing and Analytes”, as stated on this certificate will be sent to your laboratory upon completion of the entire certification process, which includes an on-site inspection and participation in the appropriate PT studies.
