## Orders

Orders are accepted by phone, mail, e-mail, fax, or by online form.

Please specify always:

- article number, description, size and quantity
- delivery address and clear shipping instructions
- address for invoicing
- contact name and title
- phone, fax and e-mail address

Positive and negative controls are only available in combination with the corresponding coating and/or conjugate ELISA reagents.

## Terms and Pricing

Prices are according to the price list of your local distributor. We may ask for prepayment against proforma invoice for direct shipments. Payment against letter of credit or cash against documents is also possible. We also accept VISA card. In any case, bank charges must be paid by the customer.

Our prices are ex works Reinach/Switzerland, excluding VAT. Shipping and handling costs are not included. We prepay freight charges and add them to the invoice. All our prices are subject to change without notice.

## Shipping Information

We ship via FedEx, DHL, TNT or best means to assure quick and secure delivery. Products are shipped at ambient temperature. We indicate on the shipping documents that products must be kept at 4°C for long term storage. If you have special shipping requirements, please give us clear instructions. If permission to handle our products is required by local authorities, it is the responsibility of the customer to obtain such a permit.

## Warranty and Liability

BIOREBA products are guaranteed to meet the specifications described on the product datasheet and product information that is added to each shipment. No further warranties are given. If you have any questions about specification or performance, please contact our administration (admin@bioreba.ch).

Our ELISA products are for laboratory use only. Agri-Strip products are for laboratory-, field-, and greenhouse use. All products are not to be used for human or animal applications. Should a product fail for reasons other than inappropriate handling or misuse, BIORREBA AG will replace the product free of charge or refund the purchase price.

BIOREBA AG shall not be liable for any direct or indirect, special or consequential damages of any kind resulting from the use of our products.

## Returns

Please notify us about any damage, loss or failure to meet product specifications within 72 hours after receipt of the goods. If a product fails to perform as expected, when used according to standard procedures, then please contact your distributor or our administration (admin@bioreba.ch). All returns must be authorized prior to returning material.
