

Eurofins Supplier Audit Program

With a global network of auditors, we can conduct your Supplier Audits so that you can focus on what matters most: **Maintaining your product's food safety, quality, and delivering customer satisfaction.**

Eurofins Food Assurance can help any *manufacturer, retailer, wholesaler, or distributor* independently assess compliance across the supply chain by conducting Supplier Audits.

Our experts can evaluate the compliance and performance of your suppliers against your custom audit checklist in addition to any GMP, GDP, or GFSI international standard.

Don't have an audit checklist? No need to worry, we can assist you in creating a standard that is fit for your purpose and meets all your needs!

Our fleet of qualified auditors will perform 2nd party audits against your chosen criteria to help you verify that your suppliers meet your organization's safety and quality standards.

Utilize our audit resources so you can spend more time analyzing results, driving improvement, and managing your customer relationships.

Our Supplier Audits serve many manufacturing industries, including:

- The Food Industry
- Dietary Supplements
- Consumer Products
- The Hemp Industry
- Pet Food and Animal Feed
- Non-GMO Certification
- Vegan Verification
