

Product Labeling & Nutrition Compliance Services

Eurofins combined scientific and technical expertise allow us to offer an exceptional service that supports clients at every stage of the product lifecycle from concept, testing, to labeling compliance. Whether you need a basic compliance review to a full-scale consultative approach, we are here to be your trusted partner and provide you a timely and accurate service.

What we do?

- Review of labels for regulatory elements
- Risk-based interpretation of complex regulatory requirements
- Testing and development of Nutrition or Supplement Facts Panel
- Validation and verification of ingredients and claims
- And more to fit your needs!

Categories of Labeling Expertise

FDA Food

USDA Food

Dietary Supplements

Pet Food

Why is this important?

- Avoid costly recalls due to inaccurate labels
- Mitigate regulatory warning letters due to misbranded labeling issues
- Ensuring the label is accurate before going to print
- Protect brand reputation and consumers

How do I get started?

1. Complete our simple [webform](#) for the information we need to get started.
2. A sales representative will contact you to discuss your needs and provide a quote.
3. Your labeling needs and timeline are important to us. We'll create a pricing quote that fits perfectly!
